

A detached house with open views #16677

€620,000

A detached, resale property located on a hill in Aradippou's sides.

The area of the property is a purely residential area with low building densities therefore not high buildings are able to be built.

There are only detached houses at the location and the area is not fully developed . Open view of fields and hills just across give the feeling of calmness.

- * Detached house
- * Double parking area
- * Garden
- * En suite shower / walking closet
- * Fire place
